AUTHOR WARRANTY and TRANSFER OF COPYRIGHT AGREEMENT

Article title: _____

Author(s): _____

Submitted for publication in: _____

The author(s) warrant(s) that his work is original, and has neither been submitted for publication, nor has been published in any form, elsewhere. Furthermore, where applicable, the author(s) warrant(s) that written permission has been obtained from all third-party copyright holders to republish part or all of their articles, illustrations etc., as part of this work.

The author(s) or, in the case of a 'work made for hire', an authorized representative of the copyright holder(s) hereby transfer(s) copyright of the above work to European Society of Computational Methods in Sciences and Engineering, effective upon publication. However, the following rights are reserved:

1. all proprietary rights other than copyright, such as patent rights;
2. the right to use, free of charge, all or part of this article in future works of their own, such as books and lectures; and
3. the right to reproduce the work (prior to publications) for their own purposes provided that the copies are not offered for sale.

The transfer of copyright enables the publisher to act effectively against an infringement of international copyright law.
